

**Position:**

Graphic Designer

Description:

Architectural firm seeks a powerful graphic designer that communicates using 2-D media to work in conjunction with the Marketing Department

The designer's graphics should need no verbal explanation or presentation.

Typography, color, shape, texture and image must clearly speak the message.

Applicant should be highly self-motivated and able to work independently as well as with direction as part of a team.

Job Responsibilities:

- Include designing marketing collateral, assembling presentation materials, and updating/maintaining company website.
- The ability to adhere to deadlines while working on multiple projects is an important part of this position
- Provide Graphic support to all offices
- Candidate must also be creative in designing new material while working within the boundaries of existing branding.

Requirements:

- Expert in Adobe Photoshop, Illustrator and InDesign
- Microsoft Office Suite (Word, PowerPoint, Excel, Outlook)
- Proficient in Flash Macromedia
- Strong communication skills and ability to work well under tight deadlines in a fast-paced, team environment.

Qualifications:

- Bachelor's degree
- Two years minimum experience

Compensation and Benefits:

We offer a competitive salary, and our benefits include medical, dental, 401k Retirement Plan, Long Term Disability and flexible spending plan.
